

# YOUR BI SUPPORT TEAM

## LEVEL-UP YOUR BUSINESS INTELLIGENCE TOOLS AND ASSETS

### ASSESS – STRATEGIZE – STREAMLINE

**Where are you with your plan?** Our Business Insights Support Team can assess your current processes and develop a customized plan that best fits your organization. Whether you want to create a self-service reporting environment, or just want to get away from manual processes and spreadsheets, we can help.

1. Assess your BI ecosystem and maturity
2. Work with leaders to create a vision for BI
3. Recommend enterprise BI strategy to drive change
4. Create a plan for modernization

### AREAS OF EXPERTISE

**Elite's BI subject matter experts are qualified to consult in any the following areas:**

- Assessment, BI Strategy & Modernization
- Report and Visualization Development
- Governance & Documentation
- Self-service Strategy and Reporting
- Insights via Staffing Support
- Selecting and optimizing BI Tools and Solutions
- Change Management and Communications
