

STAFFING SOLUTIONS

Elite has full- and part-time resources to help you with a single project or an ongoing need within your team. Let us assist you in finding the right person as quickly as possible. Elite will work with you to assess if you need a consultant on a limited basis, or a permanent placement to meet your business needs.

PERMANENT PLACEMENT

Elite's Staffing Team will present you with fully screened and qualified professionals in any role that you're looking to fill (remote or on-site). Save your time, energy and money, and increase your productivity by allowing us to find the right candidate for your organization.

Some recent areas of specialization where we have successfully placed permanent candidates and consultants:

- Data Science & Analytics
- Business Intelligence & Insights
- Forecasting
- Data Modeling & Development
- Solution & Technical Architecture Design
- Technology Assessments
- Premier Admin & Support
- Strategic Consulting & Planning
- Change Management
- Program/Project Management
- Analytical Roadmap
- Data Governance

STAFF AUGMENTATION

Sometimes workload expectations can increase. Other times, you just don't have the employees available to complete the work you need to do. Whether it's short or long-term, remote or on-site, Elite has a team of skilled professionals ready to provide you with support in a range of specializations.

Business Analytics + Data Consultants
For Improved Decision Making
